

## **Diane Uniman Bio—Long**

When Princess Diane von Brainisfried is not smashing champagne bottles over the bows of ships or blogging her brains out at her palace desk in the kingdom of [www.princessdianevonbrainisfried.com](http://www.princessdianevonbrainisfried.com), she's a motivational speaker and Certified Positive Psychology Life Coach. She recently put the rubber to the road and her money where her mouth is, having kicked breast cancer's arse without losing her happiness mojo. Her humorous seminars and workshops employ strategies for living your royally happy, radically fulfilled, richly meaningful life. Princess Diane is also the optimist expert for the Women's Health Institute of Robert Wood Johnson Medical School, and she was a facilitator at Miami's first World Happiness Summit.

When the princess is not wearing her tiara, she is known as Diane Young Uniman, a Phi Beta Kappa graduate of The University of Pennsylvania who also studied at La Université de Poitiers, La Rochelle, France. She's a criminal justice appeals attorney turned writer of screenplays and musicals. Her work has been featured at Lincoln Center's *Broadway's Future* series and was accepted into Fringe/NYC. She has won over fifty awards for her screenplays and musicals.

Diane is also an opera singer and an advanced student at the New York School of Practical Philosophy.
