

24 Powerful Motivational Quotes to Pump up Positivity

You're a beautiful miracle, as the daffodil pushing up in the spring earth and a newborn baby's birth.

Have faith that the universe is supporting you and Divine Energy is afoot in your life.

There is only one you, unique in purpose. No need to search for purpose. You already own it.

It's not what's happening to you that's important; it's what you tell yourself is happening.

You're not a victim if you say you're not. Declare yourself free of victim mentality and you'll step into your power.

Imagine yourself being held in two hands full of light; there you'll find comfort from worry and fear.

Everyone sinks into an alligator-infested moat of negativity sometimes. Shift into gratitude mindset and climb out!

Making the decision to be happy can happen in an instant. All it takes is a decision.

Permit yourself to be "in spite of" happy." Declare your health "in spite of" an illness. Declare your happiness "in spite of" a loss.

Angels come in many forms. You want to know where to find them? Start by looking in the mirror.

Don't let not knowing how to achieve a big goal hold you back. Take the first step and answers await!

Chocolate chip cookies were invented by accident. "Mistakes" move you forward in brilliant, mysterious, delicious ways.

Suspend your cynicism and stoke your spirituality to keep your heart open for signs and symbols here to guide you.

Optimism isn't about changing facts; it's about what we tell ourselves the fact are.

Don't talk yourself out of your own magic. You have all the magic and can-do spirit you need to become whatever you want to be!

Resilience is merely hanging in there long enough to realize you can hang in there. Don't give up!

The path to happiness and positivity is not a straight line. It's a joyride with serpentine curves.

Become a mind chiropractor and make an attitude adjustment by focusing on what's going right in your world, not what's wrong.

Everything in our life is our teacher. In this respect, everything is a plus.

Talk to yourself like a best friend. If you make a silly mistake, don't say, "I'm so stupid." Tell yourself, "Oh well, I can do better."

Learn to accept the is-ness of things in life that you cannot control.

If you were a garden gratitude would be your mulch, fertilizer, and water. Gratitude makes your happiness garden grow.

Today is a gift of 86,400 seconds granted to us from some mysterious, celestial, nonrefundable, gift registry.

Call that problem a challenge, and you'll find your way as you rise to meet it.
